FREQUENTLY ASKED QUESTIONS

Seating Capacity 75-200 guests with dancing in the outdoor tent

Is There An Indoor Space? The main ceremony and reception are held outside. Our superior tenting is like a ballroom under the stars! With the subflooring, ambient lighting, electricity and more, we are completely set up for weather of all types. There is an indoor area called the Pavillion that is available during cocktail hour or as a bridal suite. This area has an adjoining terrace area for gorgeous views of the sprawling land and breath-taking castle.

Deposit Required \$2500

Can I upgrade to farm style tables? Absolutely! We love this style. We are happy to customize your rentals to meet your vision and your style.

Tastings We provide tastings for our most serious clients and two guests. Once our clients have given a deposit to secure their date, we schedule a tasting with them. Deposits are fully refundable if you are not satisfied. We believe our online references and pictures give our clients the reassurance they need about our products. Want a tasting before you select a date? Sure. We make people happy! There will be a small fee for this tasting which will be refunded should you select us.... Which we know you will!

Vendor & Children Meals There is a reduced cost of \$24.95 plus tax for vendors meals and children under the age of 13. There is not charge for children under 2.

Do I Need An Event Planner? Our event specialists will handle most of your planning! We handle all of the rentals, your floorplan, your time line and your menu. You are responsible for running your ceremony, florals, vendor coordination (outside of catering and rentals). We are happy to place your floral on your table, but if there is table scaping, you would handle that. If you need assistance with these items we are happy to recommend an event planner.

Can I DIY Florals? Certainly you can DIY. We would need your florals dropped at the venue 3 hours before your event and we will place them on the tables.

Are There Restrooms? There are restrooms in the facility. We recommend additional portable rentals for guest counts over 100.

Do You Have a License? Yes, we are fully licensed and insured.

Can I Bring My Own Alcohol? Yes

What If I Have Special Dietary Restrictions? We can handle all vegetarian, vegan, and GF needs, as well as many others. We are not a certified GF kitchen though so there could be cross contamination.

What Is The Extra Charge For Buffet Or Family Style? Buffet is an additional \$5 per person, and family style service is an extra \$10 per person which includes bamboo family style platters at every table.
